

SCOUT TROOP BEING FORMED

The Boy Scout movement is being revived in Bassano.

Bassano, Hussar, Gleichen, and Rockyford an interesting and in-

L. Whitehorn has been appointed scoutmaster, and Donald MacGregor assistant scoutmaster.

Arrangements have been made for the scouts to use the L.O.O.F. hall for a meeting place, and scouts will be signed up and patrol leaders appointed as soon as possible.

It will also be organised. The Cub Scouts are junior scouts.

Events

The event of the kind in Beaumont, the school track and athletic meet will be held next Saturday, October 15th.

Boys and girls of all ages will compete in the sprints, distance races, relay races, high jumping, broad jumping, and other events.

Competitors will be classified according to weight. Class A will be those under 80 pounds; class B, under 100 pounds; class C, under 120 pounds; class D, over 120 pounds.

The events will be held in the school grounds where a one-sixth mile track has been laid out and jumping grounds prepared.

at the home of Mr. and Mrs. Ralph Robson recently when the younger

et of Gem community surprised
Iris on her thirteenth birthday. The
evening was spent with games and
musical items, and dancing follow-
ed by delicious supper. Several
ladies helped Mrs. Robson to serve.
Mr. and Mrs. Ted Wade were Sun-
day dinner guests at the home of
Mr. and Mrs. C. Villet.

Rev. J. F. Fitzpatrick will hold
R. C. services in Gem on November
1, at 10 o'clock, when he hopes to
meet each and every member of the
Catholic faith residing in or near
Gem. Service will be held at
Maguire's.

meet each and every member of the Catholic faith residing in or near Gem. Service will be held at Maguire's.

A dance will be held in the near future in the Gem school if harvesters ever get finished. Details and date next week.

Miss H. Waltham is helping Mr. Collins during threshing time.

Mr. H. Ferguson, of Countess, was a recent visitor in the colony.

E. Small, who was called recently to Victoria, plans to return to the colony.

Mrs. Clarke, Vile and Mrs. Ted Wade spent a pleasant afternoon recently with Mrs. Keeling.

Earl McGowan, of Killam, spent a pleasant evening recently visiting

100 years ago, when commerce was increasing there were children of six and eight years old working for 12 hours a day in the English factories.

Board of Trade

Seventeen members attended the regular board of trade meeting in the hall of the Imperial Hotel Wednesday noon of this week.

It was a full session. Little business was transacted, and there were reports from only two or three committees.

H. A. Holmes, in reporting for the auto camp committee, said that the trees at the camp had recently been given a good watering. He mentioned that the camp was still being used by an occasional tourist.

A. T. Connolly, who reported for the public affairs committee, said that his committee had discussed the question of a supply of natural gas for Bassano, and had communicated with Calgary officials on the matter. The committee had been advised that the present time was not opportune for development of a gas supply here.

Pres. W. K. Webb said that the merry-go-round would be stored away this winter and repairs and improvements made on it before setting it up again next year. He advised the members that a report of the financial standing of the merry-go-round would be prepared and presented at its next meeting.

Wm. McLaws gave a report for the boy scout committee, and told of the plans and progress made to date. Details of the scout movement are given elsewhere in this issue.

POLICE COURT

Wm. Pettit, of Glenora, appeared in Bassano police court last Saturday morning with obtaining two horses, by false pretences. The case was remanded until Friday afternoon, Oct. 14, and Pettit was released on \$200 bail and two securities of \$200 each.

Information was laid by Otto Paul, of Denbigh, and Sergt. J. N. Cawsey is prosecuting.

ROSEMARY W. L.

The regular meeting of the Rosemary W. L. was held at the home of Cora Narum on Oct. 6.

The meeting opened by singing "O Canada" and reading the creed. The quilt blocks for the quilt for the girl and boy blue quilt were given out to the members to be worked. Arrangements were made for a quilting party at the end of the afternoon. It was decided to charge a fee of 50 cents for books. Books were brought in for sale and no more books are wanted. The 50 cents will be returned if books have been brought back in good condition and within the set time. The visit from Mrs. Hall of Winnipeg was very much enjoyed and her paper was both enjoyable and helpful as it made everyone feel as if things were not half as bad and times were not so hard as they could be. Current events were given by Mrs. A. Narum and a reading by Miss C. Narum. Then the meeting adjourned to meet on Nov. 3 at the home of Mrs. Wm. Tuffert. Lunch was served by the hostess.

THE PICTURES

"Flying High," which will be seen at the Orpheum Theatre Thursday, Friday, and Saturday of this week, was frankly made for laughing purposes only.

Its plot was built definitely to arouse grins and guffaws, and it was made by the most successful director comedy this year, Charles Reisner.

Of the principals, Bert Lahr has long been conceded the most initiated comedian on the American stage, and Charles Donovan, well, no one needs to explain her. The laughable story concerns Rusty Krause (Lahr), clever mechanic but a "dumb bunny," who invents a new type of airplane called the aeroplane. Lahr marries to get money to finance his airplane company and the fun becomes hilarious. "Kryspercar Routs" next week.

KNOX PRESBYTERIAN CHURCH Rev. P. C. McCrae, Minister "The Church Where Everybody Feels at Home."

Sunday, October 16, 1932 11 a.m.—Sunday School and Bible Class.

7:30 p.m.—Evening Worship, subject, "Strength in Weakness."

Everybody Welcome

LOCAL NOTES

REVISION OF BANK HAS BEEN POSTPONED

OTTAWA, Oct. 11.—Amongst all political parties it is generally agreed that the speech from the throne which his excellency read at Thursday's opening ceremonies constituted the most substantial legislative measure to be placed before the commons and the senate in many sessions.

It contained only one surprise, and that of a negative character. The postponement of the revision of the Bank Act was not expected. It had been known that the department of finance had been making some investigations during the recent months in contemplation of the revision. The advisability of some form of central banking institution was understood particularly to be under study. Consequently, the announcement that nothing was to be done for another year was altogether unheralded.

There is little doubt at this point but that the government's proposal to extend the bank charter for one year will arouse strenuous objection from both groups of the opposition. Progressives and Liberals alike agreed Thursday night in disfavoring the suggestion and

would fight it vigorously.

The Progressives are bound to this course of action, since credit and currency reform are now the cardinal, and almost the only, plank in their platform.

The Liberals are likewise known to be on the verge of coming out openly for the establishment of a central bank and a general loosening of credit, obviously with the idea of absorbing themselves in the following which the Progressives threaten to attract on the prairies on the monetary issue. Under these circumstances the Liberals, too, can be depended upon to oppose any course which will defer action upon a matter which they represent as "final."

The fox farming industry appears to have had its beginning over 50 years ago as there is an authentic record of foxes having been raised in captivity about the year 1387 on a farm near Tignish, Prince Edward Island.

And He Will Pay for It

Traffic Cop: "Why didn't you stop when I whistled?"

Motorist: "I'm sorry, I didn't hear you."

Traffic Cop: "Well, you'll get your hearing in the morning."

A PRIZED ASSET

Alberta Pool Elevators is the best balanced system in this province.

Alberta Pool Elevators is financially responsible in every way.

Alberta Pool Elevators have a carefully trained staff second to none in efficiency.

But their greatest asset lies in the widespread confidence Alberta Grain growers have shown in

ALBERTA POOL ELEVATORS

A Delicate Piece of Machinery

The inner mechanism of your car is a delicate piece of machinery. To adjust and repair it requires the services of a thoroughly competent mechanic.

We can honestly claim the necessary qualifications for that job. Backed by many years of experience, we can undertake your repair work with the knowledge that is necessary to turn a first class job of repairing.

We take a pride in the repair jobs we turn out, the personal pride of the motor mechanic who likes to a job well.

ELECTRICAL WORK is one of our specialties.
